Continental vs Redcoat: American Revolutionary War (Combat) David Bonk
The American Revolutionary War pitched the newly formed Continental Army against the professional British Redcoats ? a highly trained organization manned by long-serving and experienced infantrymen with a formidable reputation forged on European battlefields during the Seven Years' War. So, how were the poorly trained, poorly supplied Continental infantry able to hold their own and shape the outcome of the Revolutionary War and establish the future of their young nation? David Bonk answers this question in a highly illustrated book that looks at the challenges facing both armies, weighing up how each side was able to cope with the day-to-day experiences of the war and using extensive first-hand accounts to allow a modern audience to experience what life was like for soldiers on and off the battlefield during the war.
