Gabriel Okara: Collected Poems (African Poetry Book)

Gabriel Okara

Gabriel Okara: Collected Poems (African Poetry Book) Gabriel Okara
Gabriel Okara, a prize-winning author whose literary career spans six decades, is rightly hailed as the elder statesman of Nigerian literature. The first Modernist poet of anglophone Africa, he is best known for *The Fisherman's Invocation* (1978), *The Dreamer, His Vision* (2005), and for his early experimental novel, *The Voice* (1964).

Arranged in six sections, *Gabriel Okara: Collected Poems* includes the poet's earliest lyric verse along with poems written in response to Nigeria's war years; literary tributes and elegies to fellow poets, activists, and loved ones long dead; and recent dramatic and narrative poems. The introduction by Brenda Marie Osbey contextualizes Okara's work in the history of Nigerian, African, and English language literatures. *Gabriel Okara: Collected Poems* is at once a treasure for those long in search of a single authoritative edition and a revelation and timely introduction for readers new to the work of one of Africa's most revered poets.
