No More Enemies Deb Reich

The idea of “enemies” is obsolete, but we are so thoroughly accustomed to the paradigm that we have a hard time seeing how to let it go. This book aims to remedy that… leavening the shock with humor.

Eminently readable, highly entertaining and full of hope, *No More Enemies* is a vibrant combination of real-life stories and speculative theory.

This is definitely not your ordinary, everyday nonfiction experience. The nearly 200 micro-chapters come with evocative headings like “Demonizing people may feel good, but it’s dumb”; “Breastfeeding without borders”; “The Einstein-Goldstein Fallacy”; “From Isaiah to Thich Nhat Hanh”; “What mattresses say”; “Being Reem’s shabbos goy”; “A good-looking suit”; “If I were Herzl, I’d be smarter than Herzl.” You can read the book sequentially from cover to cover, or you can sample what interests you, almost like reading a cookbook. These recipes, however, are all about redesigning our world to get along without the enemies paradigm before it kills us.

Author Deb Reich nudges us gently but firmly toward the emergent post-enemies era, when we will look very differently at the neighbors we have been taught to hate and fear, and see instead… partners. Deb has done it herself, in Israel/Palestine, for many years. What is holding us back in our quest for reconciliation and justice is not the people, she says now; it’s the paradigm. And we can redesign it, together: No More Enemies.

From reader reviews:

David Lalonde:

Have you spare time for any day? What do you do when you have a lot more or little spare time? Yep, you can choose the suitable activity to get spend your time. Any person spent their particular spare time to take a move, shopping, or went to typically the Mall. How about open or perhaps read a book eligible No More Enemies? Maybe it is to be best activity for you. You recognize beside you can spend your time with your favorite's book, you can wiser than before. Do you agree with it is opinion or you have additional opinion?

Alejandro Jones:

The book No More Enemies can give more knowledge and information about everything you want. So just why must we leave a very important thing like a book No More Enemies? A number of you have a different opinion about book. But one aim which book can give many information for us. It is absolutely appropriate. Right now, try to closer with your book. Knowledge or data that you take for that, you can give for each other; you can share all of these. Book No More Enemies has simple shape however you know: it has great and big function for you. You can appear the enormous world by start and read a book. So it is very wonderful.

Christian Rice:

Is it a person who having spare time and then spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something new? This No More Enemies can be the respond to, oh how comes? The new book you know. You are therefore out of date, spending your extra time by reading in this fresh era is common not a nerd activity. So what these textbooks have than the others?

Henry Heath:

That reserve can make you to feel relax. This kind of book No More Enemies was bright colored and of course has pictures on the website. As we know that book No More Enemies has many kinds or style. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and believe you are the character on there. So , not at all of book are usually make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book in your case and try to like reading which.
