The Baltimore Atrocities

The Baltimore Atrocities
Praise for John Dermot Woods:

***Electric Literature* 25 Best Novels of 2014**

"Poignant and unsettling, and much like a good short story collection these tales resonate long after the book is closed."—***Largehearted Boy***

"An accomplished artist and writer, in addition to being an entertaining and often an electrifying one. John Woods does something very original in his combining of the arts in this collection, and my hat's off to him in his two-hat achievement."—**Stephen Dixon**

"Like a lost season of *The Wire* directed by Richard Linklater, *The Baltimore Atrocities* beguiles, bemuses, often horrifies, and never fails to impress. John Woods renders small moments of intimacy and violence with remarkable compression and eerie calm; together they form a rich disturbing portrait of the city-as-zonked-out-slaughterhouse, its denizens both the butchers and the butchered."**—Justin Taylor, author of *Flings***

The Baltimore Atrocities is a mordant, deadpan collection of more than one hundred murders, betrayals, heartbreaks, suicides, and bureaucratic snafus—each with a half-page illustration by the author—that tells the story of a couple who spends a year in Baltimore in search of their respective siblings, who were abducted decades earlier as young children.

John Dermot Woods is a writer and cartoonist living in Brooklyn, New York. He is the author of a collection of comics, *Activities* (Publishing Genius, 2013), and two previous illustrated novels, *No One Told Me I Was Going to Disappear* (with J.A. Tyler) and *The Complete Collection of people, places & things*. He and Lincoln Michel created the funny comic strip *Animals in Midlife Crises* for the *Rumpus*. He is a professor of English at Nassau Community College.

From reader reviews:

Vicki Shah:

Nowadays reading books are more than want or need but also get a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book which improve your knowledge and information. The details you get based on what kind of guide you read, if you want drive more knowledge just go with education and learning books but if you want truly feel happy read one together with theme for entertaining for example comic or novel. The actual The Baltimore Atrocities is kind of reserve which is giving the reader capricious experience.

Jon Farris:

The Baltimore Atrocities can be one of your beginning books that are good idea. Many of us recommend that straight away because this e-book has good vocabulary that may increase your knowledge in words, easy to understand, bit entertaining but delivering the information. The author giving his/her effort to set every word into delight arrangement in writing The Baltimore Atrocities yet doesn't forget the main point, giving the reader the hottest and based confirm resource data that maybe you can be one among it. This great information could drawn you into brand-new stage of crucial imagining.

Jennifer McNab:

Are you kind of occupied person, only have 10 or even 15 minute in your time to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you are having problem with the book as compared to can satisfy your short period of time to read it because pretty much everything time you only find publication that need more time to be go through. The Baltimore Atrocities can be your answer mainly because it can be read by anyone who have those short time problems.

Faye Pearson:

Is it anyone who having spare time then spend it whole day by watching television programs or just resting on the bed? Do you need something new? This The Baltimore Atrocities can be the answer, oh how comes? It's a book you know. You are therefore out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what these guides have than the others?
