**Between dusk and dark lies another world.**

The playful quartet that penned the acclaimed *Once Upon A Dyke* are dimming the lights for journeys into worlds of breathless seduction.

Haunted castles and lost ingénues, shadows hungry for life, immortal beings of power claiming their captive souls--everything is possible when the sun goes down.

Curl up for seductive, skin-tingling novellas, perfect for bed time. Don't worry--the flutter at the window is only the curtain in the breeze...

*Barbara Johnson, Karin Kallmaker, Therese Szymanski and Julia Watts join forces again for the third in their critically-acclaimed New Exploits series, creating unique stories with lesbian erotica, humor and adventure. The result is what Curve Magazine called "a true rarity."*
