Billy and the Birdfrogs B.B. Wurge

“Exciting—edge of your seat—nail-biting—page turning . . . one of the funniest books ever written. Ignoring, perhaps redefining, logic, B.B. Wurge has fashioned an unbelievable story that ultimately makes perfect sense. Wurge has a voice that is unique and fresh among writers of children’s literature.”—Catherine Safer, author of *Bishop’s Road* and *What If Your Mom Made Raisin Buns?*

“The charm and humor of *The Princess Bride* and the intelligence of *A Series of Unfortunate Events*.”—Steven V. Monte, author of *Selected Poetry of Victor Hugo*

In this vivid and complex child’s-eye view of the world, we meet nine-year-old Billy, who lives in a row house in New York City with his very odd grandmother. When their house is invaded by mysterious “birdfrogs” who leave three-footed prints but are never seen, Billy’s grandmother takes drastic action. Their adventures lead them deep under the streets of New York, past woolly mammoth fossils to a shaft where the birdfrogs—and other creatures—lie in wait. Off beat humor, crazy villains, and the final triumph of family loyalty combine to delight anyone with an imagination.

B.B. Wurge lives in an elevator in Manhattan. He turned to writing after leaving his first career as an entertainer in a primate house. He says, “I’ve been told the world is crazy, more now than ever. That may be true, but children should know they can navigate successfully through our crazy world if they stick to fundamental principles: loyalty to family and friends, compassion, and an open imagination.”

From reader reviews:

Melinda Gregory:

The particular book Billy and the Birdfrogs has a lot of information on it. So when you check out this book you can get a lot of advantage. The book was written by the very famous author. This articles author makes some research just before write this book. This book very easy to read you can obtain the point easily after perusing this book.

Bruce Parisien:

The reason why? Because this Billy and the Birdfrogs is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will jolt you with the secret it inside. Reading this book alongside it was fantastic author who else write the book in such awesome way makes the content within easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of gains than the other book possess such as help improving your skill and your critical thinking means. So , still want to hesitate having that book? If I had been you I will go to the publication store hurriedly.

Elvis Harris:

This Billy and the Birdfrogs is great book for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. This kind of book reveal it info accurately using great coordinate word or we can state no rambling sentences within it. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but hard core information with beautiful delivering sentences. Having Billy and the Birdfrogs in your hand like finding the world in your arm, information in it is not ridiculous one particular. We can say that no e-book that offer you world throughout ten or fifteen minute right but this e-book already do that. So , this can be good reading book. Hi Mr. and Mrs. hectic do you still doubt that will?

Ana May:

You could spend your free time to learn this book this reserve. This Billy and the Birdfrogs is simple to deliver you can read it in the park your car, in the beach, train in addition to soon. If you did not include much space to bring typically the printed book, you can buy typically the e-book. It is make you much easier to read it. You can save typically the book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.
