High Country Lark: An Invitation To Paradise (The Lark) Neville Peat
An award-wining writer travels through the New Zealand high country. An unusual summons from an old, itinerant acquaintance - known as the Lark - piques author Neville Peat's curiosity. The invitation to meet in the mountains around Glenorchy is timely: he's keen to head into the high country to investigate recent reports of sightings of the near-extinct kokako.The South Island high country has an allure all its own. New Zealand's equivalent of the Wild West, it's a rustic, spectacularly beautiful frontier, combining wild alpine beauty, beech forest and mirror-still lakes.The Head of Lake Wakatipu has attracted Maori for the dazzling local pounamu; itssublime beauty has seduced European tourists, artists, writers and farm-holders sincethe nineteenth century. Author Neville Peat sets off on a fascinating trail that takes him deep into the hills to explore local history, legend and land politics. He skilfully blends the characters and stories of the past - those of Arawata Bill and Joseph Fenn among them - with a powerful sense of place and concerns for the future.In prose as fine as snow-caps reflected in lake water, Peat brings us an extraordinaryregion - from the laconic humour of the locals, to the last chance we might have to halt the demise of several threatened native species. *High Country Lark* is the third in Peat's acclaimed 'Lark' series.
