La cultura. México (1930-1960) (Spanish Edition) Ricardo Pérez Montfort

Un completo panorama de la vida cultural e intelectual en México en el que se repasan los procesos de institucionalización de la cultura mexicana entre 1930 y 1960, cuando se produce el tránsito de una reivindicación de la cultura popular a una cultura promovida por el Estado.

La colección **América Latina en la Historia Contemporánea** es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países. Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas -incluyendo aquellas otras, europeas o americanas, que más han aportado a su materialización- y revela las claves políticas, sociales, económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan.

Distinciones:

Premio de la revista *La Aventura de la Historia* a la mejor iniciativa editorial

Sandra Earnhardt:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this La cultura. México (1930-1960) (Spanish Edition) can make you experience more interested to read.
