Love After Death: (Remember Me?) Bud Jay
Can love survive even after death? Sondra and Axel were the best of friends with nothing in common. Sondra was considered popular (though she never saw herself as so), and Axel was considered a “loser” who was constantly treated cruelly. When Sondra leaves to hang out with a group that has always hated Axel, Axel gives up and takes his life. Seven years after his tragic death, Sondra begins to get messages from Axel, both personally and in a book of poems he published. Sondra tries to discard it as nothing, but still can’t shake off the idea. Can love survive after death?
