Ted Wood

On the Inside (The Reid Bennett Mysteries Book 7) Ted Wood
Police Chief Reid Bennett has always filled his days crimping the plans of criminals, sweating it out knowing danger and intrigue are what fuels his passions. But this time Reid is taking some time off. With his new wife Freda and Sam, his always-present German Shepherd, Reid is heading north through the Canadian wilderness on his honeymoon. Unable to just let his job go completely, Reid unwisely takes an assignment on his way north to investigate police corruption in the dour mining town of Elliot. Apparently Reid has more experience with police corruption than with marriage and lets his honeymoon slide into an ever-widening abyss of rural politics and small town backstabbing. Maybe it's all for the best because Elliot is no place for a honeymoon. A classic dying western outpost complete with chronic bar fights and instant justice, Elliot revolves around cops taking kickbacks from hotel managers who, in turn, are making a fortune from roving prostitutes serving the local miners every payday. When one hotel manager turns up murdered, the cauldron seems ready to boil over. With the only man willing to talk dead, Reid and Sam go undercover mining the depths of deception in order to bring down the house. Every institution stands to be overturned and Freda learns that marriage may be one of them. Can she make a life out of watching her new husband thrown willingly into harm's way? Can Reid and Sam get out of trouble?

"A series character worth watching for...fast moving, intriguing." -- Los Angeles Times

"Danger, full-bodied characters, and enough detail about police work and survival techniques to complement Bennett's role as the most savvy cop currently in the genre." -- Library Journal
