Sherlock Holmes: The Hidden Years

Sherlock Holmes: The Hidden Years

In 1891, Sherlock Holmes in a struggle with his arch-enemy, the Napoleon of Crime, Professor James Moriarty, plunged with him over the Reichenbach Falls to his inevitable death. All of England - indeed the entire world - mourned the irreplaceable loss of the world's greatest detective. And that's where things stood until 1894 when Holmes suddenly reappeared in London, revealing himself to his friend Dr. John Watson, and resumed his activities as a consulting detective. Holmes remained very quiet and mysterious on those missing three years, never really revealing precisely where he'd been and what he'd done in the 'hidden years."

Now, in this anthology of original stories the truth about those thirty-five months is unveiled and Holmes' adventures described. While some stories place Holmes in such familiar locations as New York and San Francisco, others find him high in the Himalayas or above the Arctic Circle. With stories from such writers as Rhys Bowen, Peter Beagle, Carolyn Wheat, Michael Collins and many others, *Sherlock Holmes: The Hidden Years* is a must-have book for every fan who has every wondered about the untold adventures of Sherlock Holmes.
