The Role and Future of Special Collections in Research Libraries: British and American Perspectives
Sul H Lee
What does the future hold for special collections in research libraries? Will special collections be an important feature in humanistic research or will technology make special collections irrelevant to research in the humanities? The Role and Future of Special Collections in Research Libraries explores the answers to these questions by examining special collections in British and American libraries and the changing trends in research and scholarship as they relate to special collections. This book examines the particular experience of a variety of special collections in British research libraries. By learning more about British experiences related to special collections, North American libraries will discover new ways to manage existing information resources in light of diminished funding. The topics cover this essential role of special collections in these areas:

- the British perspective on issues relating to access and preservation of manuscripts, reproduction from originals, confidentiality, and the development of collections
- a historical overview of changes in special collections
- technology and special collections
- balancing the collection and preservation of books and manuscripts with
  the acquisition of new materials in electronic format The Role and Future of Special Collections in Research Libraries brings together international perspectives on library programs to help librarians and library administrators understand the factors that influence special collections. With the help of this insightful book, librarians will learn how to develop and modify future programs and services to maintain excellent special collections.

From reader reviews:

Dorothy Jaramillo:

Nowadays reading books be a little more than want or need but also work as a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The details you get based on what kind of guide you read, if you want have more knowledge just go with schooling books but if you want feel happy read one with theme for entertaining for instance comic or novel. The The Role and Future of Special Collections in Research Libraries: British and American Perspectives is kind of reserve which is giving the reader erratic experience.

Michael Walsh:

This book untitled The Role and Future of Special Collections in Research Libraries: British and American Perspectives to be one of several books that will best seller in this year, honestly, that is because when you read this reserve you can get a lot of benefit into it. You will easily to buy this particular book in the book retailer or you can order it by means of online. The publisher on this book sells the e-book too. It makes you easier to read this book, as you can read this book in your Mobile phone. So there is no reason to you personally to past this book from your list.

Patricia Northcutt:

Reading can called mind hangout, why? Because when you find yourself reading a book especially book entitled The Role and Future of Special Collections in Research Libraries: British and American Perspectives your head will drift away trough every dimension, wandering in most aspect that maybe mysterious for but surely will become your mind friends. Imaging every word written in a publication then become one type conclusion and explanation which maybe you never get ahead of. The The Role and Future of Special Collections in Research Libraries: British and American Perspectives giving you one more experience more than blown away your mind but also giving you useful facts for your better life on this era. So now let us explain to you the relaxing pattern here is your body and mind will likely be pleased when you are finished looking at it, like winning a sport. Do you want to try this extraordinary spending spare time activity?

Dennis Bales:

This The Role and Future of Special Collections in Research Libraries: British and American Perspectives is great publication for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. That book reveal it information accurately using great plan word or we can say no rambling sentences inside it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but challenging core information with beautiful delivering sentences. Having The Role and Future of Special Collections in Research Libraries: British and American Perspectives in your hand like obtaining the world in your arm,

facts in it is not ridiculous one. We can say that no e-book that offer you world with ten or fifteen small right but this reserve already do that. So , it is good reading book. Hey there Mr. and Mrs. busy do you still doubt which?
