Doctor Thorne (Macmillan Collector's Library Book 76)

Anthony Trollope

Doctor Thorne (Macmillan Collector's Library Book 76) Anthony Trollope

Doctor Thomas Thorne is guardian to his beautiful but impecunious niece, Mary, whose parentage he has always kept secret. Mary falls in love with Frank Gresham, heir to the dwindling Greshamsbury estate, but when Frank proposes, his parents insist that he must marry for money to restore his family's fortunes. Frank is torn between his love for Mary and his sense of familial duty, whilst Doctor Thorne must decide whether to reveal the secret he has kept for so long.

In *Doctor Thorne* Trollope explores themes of money and society and the conflict between tradition and the need for change. Part of the 'Chronicles of Barsetshire' series on which Trollope's reputation primarily rests, it outsold all of his other novels during his lifetime.

This gorgeous edition features an afterword by Ned Halley.

Designed to appeal to the book lover, the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles. Macmillan Collector's Library are books to love and treasure.

From reader reviews:

Eric Overbay:

What do you in relation to book? It is not important with you? Or just adding material when you want something to explain what the one you have problem? How about your free time? Or are you busy individual? If you don't have spare time to complete others business, it is make one feel bored faster. And you have extra time? What did you do? Every person has many questions above. They need to answer that question due to the fact just their can do that. It said that about guide. Book is familiar in each person. Yes, it is appropriate. Because start from on guardería until university need this particular Doctor Thorne (Macmillan Collector's Library Book 76) to read.

Carolyn Robles:

In this 21st centuries, people become competitive in every single way. By being competitive today, people have do something to make all of them survives, being in the middle of often the crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated this for a while is reading. Yep, by reading a guide your ability to survive boost then having chance to stand up than other is high. In your case who want to start reading a new book, we give you this specific Doctor Thorne (Macmillan Collector's Library Book 76) book as beginning and daily reading publication. Why, because this book is greater than just a book.

Kathleen Jones:

In this period globalization it is important to someone to receive information. The information will make you to definitely understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, newspapers, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. The particular book that recommended to your account is Doctor Thorne (Macmillan Collector's Library Book 76) this publication consist a lot of the information in the condition of this world now. That book was represented how do the world has grown up. The dialect styles that writer require to explain it is easy to understand. Often the writer made some analysis when he makes this book. This is why this book suitable all of you.

Deidra Hird:

As we know that book is vital thing to add our information for everything. By a publication we can know everything we want. A book is a list of written, printed, illustrated or even blank sheet. Every year ended up being exactly added. This reserve Doctor Thorne (Macmillan Collector's Library Book 76) was filled in relation to science. Spend your extra time to add your knowledge about your research competence. Some people has distinct feel when they reading some sort of book. If you know how big benefit of a book, you can feel enjoy to read a publication. In the modern era like right now, many ways to get book which you wanted.
