Dicks come in different sizes.

Some are gigantic while others are almost invisible.

So also are dating guides.

This book you are staring at right here is not a dating guide.

This is a classified document containing mind control methods that only a few government secret service agencies

have access to.

This information in the wrong hands could cause lots of
divorces.

Because not even married women can say no to its potency.

I will not be liable for whatever you choose to do with the information contained in this book.

May God help all the girls that will get pounded non-stop by you because of this book.

My advice to you?

Seriously ?

Get an extra dick, Because this shit is about to go down.
