Navigating the Sermon for Cycle B of the Revised Common Lectionary
For each Sunday in Cycle B, the writers and editors of "Charting the Course," an integral part of **Emphasis: A Lectionary Preaching Journal** from CSS Publishing Company, delve into the heart of the lectionary readings, providing you, the pastor with in-depth lectionary-based commentary; relating several fresh, solid ideas -- based squarely on the lectionary texts -- for creating sermons that speak powerfully to your audience. The team of *Navigating the Sermon* looks for overall topics for the entire Cycle B church year that hold the readings together. Then, they zero in on the theme and the specific scripture links, suggesting directions for the sermon and worship service. Since a single application for each week may not provide what you are looking for at that particular time, *Navigating the Sermon* in most cases suggests several ideas, giving you the opportunity to select the one that matches your specific needs.

This book is like having a dedicated, thoroughly versed sermon research and sermon resource team right in your own study to help you create riveting sermons that are truly yours and that speak powerfully to your audience.
