Soldier Heroes: British Adventure, Empire and the Imagining of Masculinities

Graham Dawson

Soldier Heroes: British Adventure, Empire and the Imagining of Masculinities Graham Dawson
Soldier Heroes explores the imagining of masculinities within adventure stories. Drawing on literary theory, cultural materialism and Kleinian psychoanalysis, it analyses modern British adventure heroes as historical forms of masculinity originating in the era of nineteenth-century popular imperialism, traces their subsequent transformations and examines the way these identities are internalized and lived by men and boys.
