**The Third Eye** T. Lobsang Rampa
The story of Tibet at the turn of the century as seen through the eyes of a boy.

T. Lobsang Rampa was preordained to be a Tibetan priest, a sign from the stars that could not be ignored. When he left his wealthy home to enter the monastery, his heart was filled with trepidation, with only a slight knowledge of the rigorous spiritual training and physical ordeal that awaited him . . . .
This is his story, a hauntingly beautiful and deeply inspiring journey of awakening within Chakpori Lamasery, the temple of Tibetan medicine. It is a moving tale of passage through the mystic arts of astral projection, crystal gazing, aura deciphering, meditation, and more, a spiritual guide of enlightenment and discovery through the opening of the all-powerful, the all-knowing . . . .
