Trout of North America Calendar 2009

Trout of North America Calendar 2009
The most dazzling gift for obsessive anglers, Trout of North America speaks to the passion of the fisherman and the sheer beauty of the sport with a year of trout from celebrated nature artist Joseph R. Tomelleri. Rendered with meticulous care down to the finest detail, these gorgeous portraits are astonishing in their realism and true-to-life colors: a Brown Trout, a beautifully hued Yellowstone Cutthroat, an Owyhee Redband, a North Umpqua Steelhead. Illustrations are accompanied by detailed text about the fish, including a natural history, color range map, and hatch charts of mayflies and caddis flies.
