Why Jews Should Not Be Liberals Larry Sternberg

This Conservative Book Club Alternative Selection, here in its revised, first paperback edition, makes a powerful argument that the principles of Judaism are at odds with the realities of modern liberalism. Larry F. Sternberg chronicles how President Roosevelt wooed Jewish voters to the liberal cause during the Great Depression, despite documented historical evidence proving that Jews are better served by Americaï¿½s conservative leadership. Topics discussed include government interference, gun control, abortion, affirmative action, and healthcare.
