Diane Stortz
You CAN Read the Bible in a Year

When Diane Stortz was invited to join a study to read the whole Bible in a year, she went for it. It changed her life, even though she'd been a Christian a long time. Now, more than ten years later, she still reads through the Bible every year with a group of friends.

"I didn't start to really know God until I made knowing him my goal as I read the Bible. Getting to know God changed me. It changed how I think and what I do. It changes me still."

God put the Bible together for you. Reading it through in a year helps create a rich experience and a focused understanding of what God wants to reveal about himself. And with week-by-week reading plans, easy-to-use reference material, and stories of encouragement from women like you, *A Woman's Guide to Reading the Bible in a Year* is the perfect companion for this life-changing practice.

Gather your Bible and some good friends to join you in your journey, or go for it on your own. Either way, God will change you.

Diane Stortz has over twenty years of Christian publishing experience, including writing and editing. She maintains a blog site to encourage Bible reading and memorization (dianestortz.com). She and her husband, Ed, live in Cincinnati, Ohio.
