Giganti con i piedi nell'argilla (Italian Edition) Sofia Tavella
C’è chi pensa che la “questione doping” sia destinata a risolversi; c’è chi pensa, al contrario, che non si risolva mai. La verità è in quell’eterno rapporto tra guardie e ladri: da una parte le istituzioni impegnate a utilizzare sempre più sofisticati strumenti di rilevazione e a scoprire nuove sostanze proibite, dall’altra gli atleti supportati da una scienza volta a ricercare sconosciuti confini d’inganno.
Purtroppo è difficilmente praticabile la strada che parrebbe più naturale: riscoprire i valori etici che presiedono all’ideale sportivo. Viviamo in una società afflitta dalla ricerca affannosa dei risultati e da un’imperante farmacomania; il doping appare come una facile e mitica scorciatoia che fa risparmiare tempo e fatica, che aiuta ad azzerare l’eventuale gap con gli avversari più forti e dotati.
Dal punto di vista psico-pedagogico è perfettamente inutile usare gli strumenti del terrorismo informativo elencando i tremendi guai che il doping può procurare. Meglio invece informare in modo semplice e corretto, con l’onestà di chi può dare un contributo di carattere scientifico e di lunga esperienza personale.

From reader reviews:

Debbie Jones:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to learn everything in the world. Each publication has different aim or maybe goal; it means that publication has different type. Some people truly feel enjoy to spend their time and energy to read a book. They are reading whatever they consider because their hobby is reading a book. Consider the person who don't like studying a book? Sometime, person feel need book if they found difficult problem or exercise. Well, probably you will want this Giganti con i piedi nell'argilla (Italian Edition).

Dawn Hicks:

Exactly why? Because this Giganti con i piedi nell'argilla (Italian Edition) is an unordinary book that the inside of the guide waiting for you to snap that but latter it will zap you with the secret the idea inside. Reading this book close to it was fantastic author who write the book in such remarkable way makes the content inside easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of benefits than the other book have such as help improving your expertise and your critical thinking means. So , still want to postpone having that book? If I were you I will go to the e-book store hurriedly.

Kenneth Quisenberry:

Reading can called mind hangout, why? Because when you find yourself reading a book specially book entitled Giganti con i piedi nell'argilla (Italian Edition) the mind will drift away trough every dimension, wandering in most aspect that maybe unidentified for but surely might be your mind friends. Imaging every single word written in a publication then become one form conclusion and explanation which maybe you never get just before. The Giganti con i piedi nell'argilla (Italian Edition) giving you a different experience more than blown away your thoughts but also giving you useful data for your better life in this era. So now let us demonstrate the relaxing pattern here is your body and mind will probably be pleased when you are finished reading it, like winning a game. Do you want to try this extraordinary spending spare time activity?

Shawn Calvin:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Giganti con i piedi nell'argilla (Italian Edition) can make you experience more interested to read.
