How to Remain Ever Free Er. MK Gupta
In this book, the author takes you on a journey towards freedom and happiness. According to him, freedom is the very fragrance of life - and freedom and happiness are intimately linked. However, the author makes a clear distinction between real freedom and the so-called casual freedom of doing anything as per one’s whims and fancies. In real freedom, one remains a master while in casual or apparent freedom, you are actually a slave ,to your desires, though outwardly, you may appear wearing the mask of freedom.
