Turmoil and Triumph: Diplomacy, Power, and the Victory of the American Deal

George P. Shultz

Turmoil and Triumph: Diplomacy, Power, and the Victory of the American Deal George P. Shultz *Turmoil and Triumph* isn't just a memoir—though it is that, too—it's a thrilling retrospective on the eight tumultuous years that Schultz worked as secretary of state under President Ronald Reagan. Under Schultz's strong leadership, America braved a nuclear arms race with the Soviet Union, increasingly damaging waves of terrorism abroad, scandals such as the Iran-Contra crisis, and eventually the end of the decades-long Cold War. With the strong convictions and startling candor for which Schultz is known, this personal account takes readers into the heart of the Reagan administration, revealing the behind-the-scenes talks and churning tensions that informed a transitional decade that many Americans now look back on as one of the country's most exalted.
