Building Better Teams: 70 Tools and Techniques for Strengthening Performance Within and Across Teams Robert Barner, Charlotte P. Barner

Over the past 10 years in the field of human and organizational development, the approach to team building has moved from problem solving and conflict management to helping work groups and organizations build a foundation of trust, cooperation, and mutual support. Focusing on collaboration rather than resolving conflict, *Building Better Teams: 70 Tools and Techniques for Strengthening Performance Within and Across Teams* offers a fresh approach to team building. It provides proven tools for the most common needs of teams, including establishing trust, building consensus, managing change, working virtually and across boundaries, and dealing with setbacks.
