THE EVERGREEN DEVOTIONAL NEW TESTAMENT DNT: Complete Edition Hollis L Green
The New Testament is a document designed to guide believers in their relationship with God and their behavior toward others. This completed edition of the New Testament is the result of 42 years of labor translating NT Greek into a common devotional language. It is a candid rendering presented in chronological order by books in five sections. This devotional text is true to the original language, but is easy to read and understand. Scripture means exactly what the first person who heard it understood it to mean, not what culture, tradition, or translators interpret the words to mean. Since most versions of scripture are academic, they have less devotional value. Getting a sense of the original intent in a common language provides an improved devotional understanding of the inspired text and will enable believers to remain evergreen with daily renewal.
