The Man for Maggie Frances Housden

Maggie Kovacs was the most enchanting woman Detective Max Strachan had ever met. She was also the most eccentric. Or was she? Max soon realized that the nighttime visions Maggie claimed she saw supplied him with details that only the police-and a cunning serial killer-could possibly know....

A no-nonsense lawman like Max was the last person Maggie would have imagined turning to for support, let alone *romance*. Incredibly, the skeptical sergeant might just be the man of her dreams. But could he possibly save her from what she saw in them?
