The Only Child Guojing
A *New York Times* Best Illustrated Book

Hailed by *Entertainment Weekly* and the *Wall Street Journal* as a best book of the year, this gorgeous and imaginative story—part picture book, part graphic novel—is utterly transporting and original. *USA Today* declared it “a compelling and melancholy debut from an important new talent" as well as "an expansive and ageless book full of wonder, sadness, and wild bursts of imagination.” And like Shaun Tan's *The Arrival* and Raymond Briggs's *The Snowman,* it is quickly becoming a modern classic.

A little girl—lost and alone—follows a mysterious stag deep into the woods, and, like Alice down the rabbit hole, she finds herself in a strange and wondrous world. But... home and family are very far away. How will she get back there?

In this magnificently illustrated—and wordless—masterpiece, debut artist Guojing brilliantly captures the rich and deeply-felt emotional life of a child, filled with loneliness and longing as well as love and joy.

“A haunting, wordless, gorgeously drawn picture book.” —*People*

“Told wordlessly through soft, dreamy illustrations, Guojing’s tale evokes the loneliness of growing up under China’s one-child policy.” —*Entertainment Weekly*

“A dreamy, wordless debut.” —*The New York Times*

"Majestic.... Rare is the book containing great emotional depth that truly resonates across a span of ages: this is one such." —*Kirkus Reviews*, Starred

"Reminiscent of Raymond Briggs’s classic, *The Snowman* (1978), this is quiet, moving, playful, and bittersweet all at once." —*Booklist*, Starred

From the Hardcover edition.

From reader reviews:

Michael Collins:

This The Only Child are generally reliable for you who want to be described as a successful person, why. The explanation of this The Only Child can be among the great books you must have is actually giving you more than just simple studying food but feed a person with information that probably will shock your before knowledge. This book is handy, you can bring it just about everywhere and whenever your conditions both in e-book and printed ones. Beside that this The Only Child forcing you to have an enormous of experience for example rich vocabulary, giving you tryout of critical thinking that could it useful in your day exercise. So , let's have it and revel in reading.

David Briggs:

The actual book The Only Child has a lot of knowledge on it. So when you check out this book you can get a lot of gain. The book was published by the very famous author. The author makes some research just before write this book. That book very easy to read you can find the point easily after scanning this book.

Jose Brown:

Many people spending their time frame by playing outside having friends, fun activity using family or just watching TV all day long. You can have new activity to shell out your whole day by examining a book. Ugh, do you think reading a book can definitely hard because you have to accept the book everywhere? It okay you can have the e-book, getting everywhere you want in your Smartphone. Like The Only Child which is having the e-book version. So , why not try out this book? Let's observe.

Teresa White:

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The Only Child can make you feel more interested to read.
