VMware Horizon 6 Desktop Virtualization Solutions

Ryan Cartwright

VMware Horizon 6 Desktop Virtualization Solutions Ryan Cartwright
Plan, design, and secure your virtual desktop environments with VMware Horizon 6 View

About This Book

- Design a successful solution to deliver Windows desktops and applications as a service
- Provide redundancy for components and design a backup solution and disaster recovery plan to protect your investment and to keep your users productive
- A learn-by-example-based approach that focuses on key concepts to provide the foundation to solve real-world problems

Who This Book Is For

If you are a desktop architect, solution provider, end-user consultant, virtualization engineer, or anyone who wants to learn how to plan and design the implementation of a virtual desktop solution based on Horizon 6, then this book is for you. An understanding of VMware vSphere fundamentals coupled with experience in the installation or administration of a VMware environment would be a plus during reading.

What You Will Learn

- Learn the strategies and techniques needed to migrate your user population from a traditional physical desktop environment to a successful virtual desktop solution
- Plan the approach to deliver, protect, and manage Windows desktops and applications to ensure that users can work anytime, anywhere, on any device
- Decide whether to use persistent or nonpersistent vDesktops and understand the impact of both on the VDI environment
- Understand the choices around end devices such as thick clients, thin clients, and zero clients
- Size the VDI environment correctly to avoid slow logons, poor PCoIP performance, authentication problems, and other random failures
- Analyze all of the potential points of failure within a VDI and provide redundancy for each component
- Design a backup solution and/or disaster recovery plan to ensure a quick recovery in times of failure

In Detail

VMware Horizon 6 (with View) delivers virtualized desktops and applications through a single platform. It supports users, providing them with access to all of their Windows and online resources through one unified workspace, anywhere, using the device of their choice. The latest VDI release has brought with it various enhancements that will provide a better way to solve the common problems that occur while designing a VDI solution.

This book will guide you through how to produce a solid VDI solution with VMware Horizon 6 View, by combining best practices with actual installation challenges. The book is designed to be used during the design phase, which comes before the implementation phase. It covers all major Horizon 6 components and

tips on how to use them to provide a solid VDI solution.

From reader reviews:

David Henry:

Have you spare time for the day? What do you do when you have far more or little spare time? Yeah, you can choose the suitable activity intended for spend your time. Any person spent their own spare time to take a go walking, shopping, or went to often the Mall. How about open or perhaps read a book entitled VMware Horizon 6 Desktop Virtualization Solutions? Maybe it is to be best activity for you. You realize beside you can spend your time together with your favorite's book, you can more intelligent than before. Do you agree with their opinion or you have different opinion?

Marlin Peterson:

What do you with regards to book? It is not important to you? Or just adding material when you need something to explain what the one you have problem? How about your free time? Or are you busy individual? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every person has many questions above. The doctor has to answer that question due to the fact just their can do that will. It said that about book. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need that VMware Horizon 6 Desktop Virtualization Solutions to read.

Steven Murray:

VMware Horizon 6 Desktop Virtualization Solutions can be one of your beginner books that are good idea. We all recommend that straight away because this reserve has good vocabulary that will increase your knowledge in language, easy to understand, bit entertaining but nonetheless delivering the information. The author giving his/her effort to get every word into enjoyment arrangement in writing VMware Horizon 6 Desktop Virtualization Solutions nevertheless doesn't forget the main stage, giving the reader the hottest and based confirm resource info that maybe you can be one among it. This great information can certainly drawn you into completely new stage of crucial contemplating.

William Culley:

You will get this VMware Horizon 6 Desktop Virtualization Solutions by go to the bookstore or Mall. Just viewing or reviewing it may to be your solve problem if you get difficulties for ones knowledge. Kinds of this book are various. Not only by simply written or printed and also can you enjoy this book by means of e-book. In the modern era such as now, you just looking by your local mobile phone and searching what your problem. Right now, choose your own ways to get more information about your book. It is most important to arrange you to ultimately make your knowledge are still change. Let's try to choose right ways for you.
