A NOTE FROM DELIA BLANCHARD

So many things have been happening here at our family's mansion, I can't go home to Hawaii: I've met my long-lost grandparents; learned the woman shot to death in the library was my aunt, *not* my mother; *and* been threatened by a blackmailing loan shark! And Shaun Murphy is back in my life--he was hired to repair the damage after the shooting. He's been rather distant with me, but I think, with God's help, I can convince him to help me track down my missing mother--and perhaps give our love another chance, too.
