Now, it’s time for Max to return the favor when Sharon’s boss, and former lover, goes missing, and is presumed dead, along with $500 million dollars. But, the money belonged to some very bad people and they want it back with a pound of flesh. Sharon and Max are now on the run from some very dangerous people. Max is sent around the globe in search of the money before the owners can catch up to Sharon or Max and kill them both. Answers are elusive in this taught thriller. Who killed Ainsley Bergstrom?
