Quando in Italia si facevano i computer (Italian Edition)

Giorgio Garuzzo

Quando in Italia si facevano i computer (Italian Edition) Giorgio Garuzzo
Grazie alla lungimiranza di Adriano Olivetti negli anni 1950 e 1960 l'Italia sviluppò una propria industria dei grandi computer elettronici, ottenendo eccellenti risultati con la gamma "Elea", avanzata e competitiva con i concorrenti americani. La scomparsa prematura dei creatori dell'impresa e l'insipienza del mondo imprenditoriale e finanziario italiano pose fine a quella straordinaria intrapresa. Con gli stessi progettisti italiani, General Electric, erede del sogno Olivetti, realizzò in Italia gli elaboratori GE 115 e GE 130, distribuiti in tutto il mondo. L'Autore di questa autobiografia, allora giovane progettista al lavoro nei grandi centri di ricerca di Borgolombardo e Pregnana, descrive azienda, macchine e protagonisti di quel periodo d'oro dell'elettronica informatica italiana. Il testo si pone come la continuazione, ma a ritroso nel tempo, del libro, anch'esso autobiografico, che l'Autore scrisse sulla Fiat degli anni 1976-1996 ("Fiat - I segreti di un'epoca" reperibile come e-book). Usando il medesimo approccio narrativo, non si esime dal toccare anche temi scottanti, denunciando senza remore le debolezze dell'oligarchia finanziaria del Paese che condusse all'abbandono del settore, e delinea i grandi temi socio-economici del tempo, dal "miracolo economico" con l'emigrazione di massa dal sud e dalle montagne, fino all' "autunno caldo" del 1969. Si spinge fino a valutare quanti guai avrebbero potuto essere risparmiati all'Italia se l'illuminata visione di un capitalismo etico e moderno, come propugnato da Adriano Olivetti, avesse prevalso, invece della miope speculazione di industriali e finanzieri e del parassitismo dirigistico di sindacalisti e politici. Il ciclo storico si conclude idealmente con l'ultimo capitolo che racconta della cessione della telefonia Olivetti, che l'Autore visse nel 1996 da vice-presidente dell'azienda d'Ivrea guidata da Carlo De Benedetti, ormai prossima alla fine.

From reader reviews:

Roy Myers:

Nowadays reading books are more than want or need but also work as a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The information you get based on what kind of e-book you read, if you want have more knowledge just go with education and learning books but if you want feel happy read one with theme for entertaining such as comic or novel. Often the Quando in Italia si facevano i computer (Italian Edition) is kind of publication which is giving the reader capricious experience.

Willard Sarvis:

Exactly why? Because this Quando in Italia si facevano i computer (Italian Edition) is an unordinary book that the inside of the guide waiting for you to snap it but latter it will zap you with the secret that inside. Reading this book close to it was fantastic author who all write the book in such wonderful way makes the content inside easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of advantages than the other book get such as help improving your expertise and your critical thinking approach. So , still want to hold off having that book? If I ended up you I will go to the publication store hurriedly.

Phyllis Force:

Many people spending their moment by playing outside with friends, fun activity having family or just watching TV the entire day. You can have new activity to shell out your whole day by reading through a book. Ugh, think reading a book can really hard because you have to use the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Smartphone. Like Quando in Italia si facevano i computer (Italian Edition) which is having the e-book version. So , why not try out this book? Let's find.

Thomas Obrien:

Reading a guide make you to get more knowledge from that. You can take knowledge and information from the book. Book is created or printed or created from each source in which filled update of news. With this modern era like at this point, many ways to get information are available for an individual. From media social just like newspaper, magazines, science book, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Are you hip to spend your spare time to spread out your book? Or just trying to find the Quando in Italia si facevano i computer (Italian Edition) when you necessary it?
