RIDE: Futuristic Electric Motorcycle Concept Harald Belker
The field of design combines the talent of an artist, the intuition and awareness of what the future could be, curiousity, and a drive to create and adapt new technologies. RIDES shares the process and complexity of design development. The young and old alike will be inspired by viewing the steps towards creating an object of beauty and innovation.

With this first book in a series of five, Belker introduces his dream of an electric motorcycle with drawings, renderings and 3D models.
