There are several *Lost* books on the market, but Stafford's *Finding Lost* series is recognized by fans as the only book to cover each episode in - depth, as well as provide chapters on books referenced on the show, historical figures, religious iconography, and other background materials that put her readers far ahead of other viewers. It will include chapters on the books alluded to this season (*The Tempest, Slaughterhouse Five, Valis*) and give background into new philosophical and scientific references. With exclusive photos of the show's filming locations in Hawaii, as well as ones taken on the set, this book helps both casual and diehard fans "find" *Lost.*
