Paying for It

Chester Brown

Paying for It Chester Brown

The critically lauded memoir about being a john, available in paperback for the first time!

Paying for It was easily the most talked-about and controversial graphic novel of 2011, a critical success so innovative and complex that it received two rave reviews in *The New York Times* and sold out of its first print run in just six months. Chester Brown's eloquent, spare artwork stands out in this paperback edition. *Paying for It* combines the personal and sexual aspects of Brown's autobiographical work (*I Never Liked You*, *The Playboy*) with the polemical drive of *Louis Riel*. He calmly lays out the facts of how he became not only a willing participant in but also a vocal proponent of one of the world's most hot-button topics?prostitution. While this may appear overly sensational and just plain implausible to some, Brown's story stands for itself. *Paying for It* offers an entirely contemporary exploration of sex work?from the timid john who rides his bike to his escorts, wonders how to tip so as not to offend, and reads Dan Savage for advice, to the modern-day transactions complete with online reviews, seemingly willing participants, and clean apartments devoid of clichéd street corners, drugs, or pimps.
Complete with a surprise ending, *Paying for It* continues to provide endless debate and conversation about sex work.

From reader reviews:

Marilyn Washington:

Information is provisions for anyone to get better life, information currently can get by anyone on everywhere. The information can be a expertise or any news even an issue. What people must be consider if those information which is inside former life are hard to be find than now could be taking seriously which one would work to believe or which one typically the resource are convinced. If you have the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Paying for It as your daily resource information.

Ann Lemieux:

This Paying for It is great book for you because the content that is full of information for you who also always deal with world and still have to make decision every minute. This book reveal it info accurately using great coordinate word or we can claim no rambling sentences in it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but tricky core information with wonderful delivering sentences. Having Paying for It in your hand like finding the world in your arm, information in it is not ridiculous just one. We can say that no book that offer you world inside ten or fifteen small right but this e-book already do that. So , it is good reading book. Hi Mr. and Mrs. busy do you still doubt in which?

Melvin Belknap:

Is it a person who having spare time and then spend it whole day through watching television programs or just telling lies on the bed? Do you need something new? This Paying for It can be the response, oh how comes? It's a book you know. You are and so out of date, spending your extra time by reading in this completely new era is common not a geek activity. So what these guides have than the others?

Carrie Hunter:

A lot of book has printed but it differs. You can get it by internet on social media. You can choose the most effective book for you, science, comedy, novel, or whatever by means of searching from it. It is called of book Paying for It. You can include your knowledge by it. Without making the printed book, it might add your knowledge and make an individual happier to read. It is most crucial that, you must aware about publication. It can bring you from one destination for a other place.
