Salis escapes Daniela Morelli
Salisedine Episode 1: Salis Escapes. Last night I dreamt of the Moon. It was yellow and full like it is on the roster's whiteboard and it said to me... Salis, run away.

And so begin Salisedine's adventure. She is called Salis for short.
Salis Escapes is the first episode of an illustrated story about a fourteen year old girl who lives an extraordinary adventure... to escape from the slave Camp where she was born. The Mutation has already started there and the Mineral Kingdom has taken over... with humans as slaves to Salt Crystals.
Will she be able to find her father and restore the balance of all the planet's Kingdoms? What awaits her in the Fresh Water Region?
And then...what will happen?
What is the secret of her power?

Written by Daniela Morelli and illustrated by Paolo d'Altan.

From reader reviews:

Carmela Randle:

Book is to be different for each grade. Book for children right up until adult are different content. We all know that that book is very important usually. The book Salis escapes has been making you to know about other information and of course you can take more information. It is very advantages for you. The publication Salis escapes is not only giving you much more new information but also being your friend when you sense bored. You can spend your own personal spend time to read your e-book. Try to make relationship using the book Salis escapes. You never truly feel lose out for everything if you read some books.

Rebecca Walton:

Nowadays reading books be than want or need but also become a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book in which improve your knowledge and information. The data you get based on what kind of book you read, if you want send more knowledge just go with education and learning books but if you want really feel happy read one having theme for entertaining including comic or novel. The actual Salis escapes is kind of book which is giving the reader unstable experience.

Beatrice Kennemer:

Reading a guide can be one of a lot of action that everyone in the world loves. Do you like reading book and so. There are a lot of reasons why people like it. First reading a e-book will give you a lot of new data. When you read a book you will get new information because book is one of a number of ways to share the information or their idea. Second, reading through a book will make you actually more imaginative. When you reading through a book especially fictional works book the author will bring you to definitely imagine the story how the personas do it anything. Third, you can share your knowledge to other folks. When you read this Salis escapes, you may tells your family, friends as well as soon about yours e-book. Your knowledge can inspire others, make them reading a reserve.

William Rockwood:

Is it you actually who having spare time then spend it whole day by watching television programs or just lying down on the bed? Do you need something totally new? This Salis escapes can be the respond to, oh how comes? The new book you know. You are therefore out of date, spending your free time by reading in this fresh era is common not a nerd activity. So what these books have than the others?
