The Granny Diaries: An Opinionated How-To Guide

Adair Lara

The Granny Diaries: An Opinionated How-To Guide Adair Lara
This delightful guide gives new grandmas clear direction on how to navigate foreign territory. Celebrated columnist Adair Lara advises on how to choose a decent name (Oopsie? Boopsie?). She outlines how to give advice without getting a Dr. Sears guide chucked at the head. She offers wise counsel on how to stay on the parents' good side (hint: don't say anything, ever). Hilarious in its blunt truisms, *The Granny Diaries* steers around the shoals of grandma sentimentality. And yet, having fallen madly in love with her own grandchildren, Adair affirms that the years after the big G truly are golden.
