Turismo e integridade ambiental (Portuguese Edition)

Cristiane Soares

Turismo e integridade ambiental (Portuguese Edition) Cristiane Soares
O excessivo fluxo populacional pode causar sérios danos às cidades que se tornam destinos turísticos, caso não haja um planejamento adequado. Além de comprometer os propalados benefícios associados às atividades do turismo, o grande afluxo de pessoas é capaz de danificar os patrimônios ambiental e cultural de determinada região. Na tentativa de compreender a relação entre turismo e qualidade de vida, Cristiane Soares, em seu livro Turismo e integridade ambiental traz o estudo de caso de Saquarema, que contribui de forma preciosa para o debate de questão tão importante e atual, enriquecido com relatos de moradores e visitantes.
