10,000 Dreams Interpreted: What's In a Dream Gustavus Hindman Miller
10,000 Dreams Interpreted: What’s In a Dream by Gustavus Hindman Miller.

In a dream, in a vision of the night, when deep sleep falleth upon men, in slumberings upon the bed; then he openeth the ears of men and sealeth their instruction that he may withdraw man from his purpose, and hide pride from man.
—Job xxxiii., 15.

Dreams are rudiments of the great state to come. We dream what is about to happen.
—Bailey

The Bible, as well as other great books of historical and revealed religion, shows traces of a general and substantial belief in dreams. Plato, Goethe, Shakespeare and Napoleon assigned to certain dreams prophetic value. Joseph saw eleven stars of the Zodiac bow to himself, the twelfth star. The famine of Egypt was revealed by a vision of fat and lean cattle. The parents of Christ were warned of the cruel edict of Herod, and fled with the Divine Child into Egypt.

Pilate's wife, through the influence of a dream, advised her husband to have nothing to do with the conviction of Christ. But the gross materialism of the day laughed at dreams, as it echoed the voice and verdict of the multitude, Crucify the Spirit, but let the flesh live. Barabbas, the robber, was set at liberty. The ultimatum of all human decrees and wisdom is to gratify the passions of the flesh at the expense of the spirit. The prophets and those who have stood nearest the fountain of universal knowledge used dreams with more frequency than any other mode of divination.

Profane, as well as sacred, history is threaded with incidents of dream prophecy. Ancient history relates that Gennadius was convinced of the immortality of his soul by conversing with an apparition in his dream. Through the dream of Cecilia Metella, the wife of a Consul, the Roman Senate was induced to order the temple of Juno Sospita rebuilt.
The Emperor Marcian dreamed he saw the bow of the Hunnish conqueror break on the same night that Attila died.

Plutarch relates how Augustus, while ill, through the dream of a friend, was persuaded to leave his tent, which a few hours after was captured by the enemy, and the bed whereon he had lain was pierced with the enemies' swords.
If Julius Caesar had been less incredulous about dreams he would have listened to the warning which Calpurnia, his wife, received in a dream.
Croesus saw his son killed in a dream.
