Draw and Sketch - Figures

Lucy Watson

Draw and Sketch - Figures Lucy Watson
Lucy Watson provides beginning artists with the fundamentals they need to render realistic, skillful drawings of people. She begins with an easy-to-follow overview of anatomy, then simplifies the challenging elements of perspective. Step-by- step exercises enable readers to learn as they draw, ensuring that every lesson is fun and gratifying.

Watson takes readers to the next level with clear, concise guidelines for rendering mass, volume, light and tone. They'll also find invaluable tips and techniques for working with color and developing a composition.

Finally, the book focuses on rendering accurate features, with guidelines for heads, eyes, noses, mouths, ears, hair, hands and feet.

Lucy Watson graduated from Central Saint Martin's College of Art & Design in London, England, with an undergraduate degree in Fine Art and a Masters in Advanced Printmaking. Highly experienced in all media, she makes her living as a freelance painter and illustrator. Her drawing, prints, and paintings have been exhibited at prestigious venues all over Europe. Lucy is the author of The Artist's Sketchbook. She lives in Kent, England.

From reader reviews:

Jose Miller:

Do you have favorite book? When you have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each guide has different aim or perhaps goal; it means that guide has different type. Some people really feel enjoy to spend their time and energy to read a book. They can be reading whatever they take because their hobby is actually reading a book. Why not the person who don't like studying a book? Sometime, individual feel need book once they found difficult problem as well as exercise. Well, probably you should have this Draw and Sketch - Figures.

Myrtie Hammond:

Reading a e-book tends to be new life style within this era globalization. With studying you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Plenty of author can inspire all their reader with their story or even their experience. Not only the storyplot that share in the ebooks. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors these days always try to improve their talent in writing, they also doing some analysis before they write to their book. One of them is this Draw and Sketch - Figures.

Randy Caldera:

This Draw and Sketch - Figures is fresh way for you who has interest to look for some information since it relief your hunger details. Getting deeper you onto it getting knowledge more you know or perhaps you who still having little bit of digest in reading this Draw and Sketch - Figures can be the light food in your case because the information inside this particular book is easy to get through anyone. These books produce itself in the form that is reachable by anyone, that's why I mean in the e-book web form. People who think that in e-book form make them feel drowsy even dizzy this publication is the answer. So there is absolutely no in reading a reserve especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book type for your better life and knowledge.

Lena Robertson:

A lot of reserve has printed but it takes a different approach. You can get it by net on social media. You can choose the most effective book for you, science, comedy, novel, or whatever by simply searching from it. It is called of book Draw and Sketch - Figures. Contain your knowledge by it. Without making the printed book, it may add your knowledge and make anyone happier to read. It is most significant that, you must aware about book. It can bring you from one spot to other place.
