Psychology for India Durganand Sinha, Girishwar Misra, Ajit K Dalal

Durganand Sinha was a visionary who gave psychology in India new directions and identity through his seminal writings and efforts.

This is the first book featuring Durganand Sinha's seminal contributions to psychology. It includes his key articles in the areas of indigenous psychology; self, family and social values; and human and socio-economic development. His life-long endeavour was to develop a psychology for India, and his publications opened up new areas of research. His book *Psychology in a Third World Country: The Indian Experience* (1986), a SAGE publication, played an important role in shaping contemporary psychological research in India. This volume will inspire researchers in various disciplines of social sciences to pursue research for psycho-socio-economic development of India.
