Against the Edge (The Raines of Wind Canyon Book 8) Kat Martin

A child he's never met. A danger he's never known.

That he's a father is news former navy SEAL Ben Slocum was not expecting. But once the initial shock wears off for the confirmed bachelor, he takes in the rest of what social worker Claire Chastain tells him: that his son is missing, abducted by a man who wants revenge against Claire and Sam's dead mother. And that Ben is now the child's only hope.

As Ben and Claire band together to track the two down, their concern for Sam draws them closer, each fighting feelings there's no time to explore. Because when their search takes them too close to Sam's abductor and his cohorts, the danger hits home—the son he's desperate to save, the woman he's desperate to love…. Ben's got one chance to take back what's his, and in one gunshot he could lose it all.
