Democracias errantes: Reflexões sobre experiências participativas na América Latina (Portuguese Edition) Fabricio Pereira da Silva
Já no seu primeiro livro, Vitórias na crise - trajetórias das esquerdas latino-americanas contemporâneas (Ponteio, 2011), Fabricio Pereira da Silva cuidou de fazer um estudo comparativo rigoroso sobre a chamada "onda rosa" ou "giro à esquerda", o fenômeno político desta década e meia do século XXI que colocou e mantém nos governos forças de esquerda em vários países.

Democracias errantes concentra-se nos casos de Venezuela, Bolívia e Equador, que são experiências consideradas autoritárias, populistas e radicais segundo o mito das "duas esquerdas". Pois é justamente nesses países que o autor encontra, de maneira emergente, novas experiências de participação popular associadas ao esforço de um exercício mais amplo nas relações entre o Estado e a sociedade, casos que poderiam exemplificar situações reais de radicalização da democracia.
