O problema da motivação moral em Kant (Portuguese Edition)

Hélio José dos Santos e Souza

O problema da motivação moral em Kant (Portuguese Edition) Hélio José dos Santos e Souza
Por que os homens são livres? No que consiste a liberdade humana? Como é possível a ação moral? Como um corpo submetido a leis naturais pode ser livre? Para responder perguntas simples como estas e outras não tão simples é que Hélio José dos Santos Souza se dedica a estudar a obra de Kant, especialmente a Fundamentação da metafísica dos costumes. Trata-se de saber se a moralidade e a ética são expressões de um princípio racional incondicionado igualmente presente nas leis imutáveis da natureza, e como é possível nos tornarmos homens melhores apesar de sermos homens. O autor apresenta ainda a discussão destes problemas por alguns dos grandes intérpretes da obra de Kant, o que enriquece filosoficamente a análise e as alternativas pertinentes. Este é um trabalho acadêmico que pode estabelecer a vocação filosófica de seus leitores: a reflexão sobre o que está em jogo é por si só um prazeroso exercício do filosofar.
