Vampirella/Army Of Darkness

Mark Rahner

Vampirella/Army Of Darkness Mark Rahner
Horror icons from two universes collide as Ash Williams, the chainsaw-armed Chosen One of the small and big screen, crosses paths with the supernatural superheroine Vampirella in a story set during the events of the cult classic film, Army of Darkness!

When Ash misspoke the incantation to acquire the Necronomicon, an unholy book written in blood, the spell ripped Vampirella - a force for good, despite her blood-hungry fangs - from her own time and back to 1300 AD. Infected by Deadite magic, she stalks the halls of Lord Arthur's castle, unable to control her thirst. Even if that time-lost chucklehead Ash can free her of the demonic mutation, can he convince his allies - primitive screwheads that they are - that she shouldn't be burned at the stake?

"An epic clash between the iconic figures of Ash and Vampirella... Downright groovy!" - Horror News Network

"Jett Morales' art does full justice." - Multiverse Magazine

"Dynamite seems to have really taken a shine to two of cult pulpdom's fan favorites." - The Pullbox

"Mark Rahner does a solid job... I can mostly hear Bruce Campbell's voice." - The Fandom Post

"Come for the drunken revelry, stay for the... mayhem." - Comics for Sinners

"One wild ride." - Big Glasgow Comic Page

"Rahner definitely knows all of Ash's and Vampirella's mannerisms and ticks" - Graphic Policy
